

Damage Scenario Statement

Office: **LR Riga**

Date: **22 January 2009**

This certificate is issued to **SIA Pildne, current owners of bunker station Pildne 02 - 40**

This is to confirm that based on the examination of the document "Information on stability of the berth connected bunker station Pildne 02 – 40", revision 2, approved by Lloyd's Register on 15 October 2008 the bunker station Pildne 02-40 will remain afloat and stable when petrol tanks are filled with 100% of water.
